HI CHEF!

Flavour Fields was created in 2018 as a hub for culinary innovation. Its focus is to source new and exciting products for chefs that extend beyond the typical realm of ingredients. Flavors and aesthetics that spark creativity in the kitchen.

For years, you have come to know and love our **Koppert Cress Cut Microgreens**. Now, you will find them under **Flavour Fields** brand. Same varieties. Same flavors. Same quality.

ABOUT CUT MICROGREENS

Cut Microgreens have the same **intense flavor and beauty** as our Living Microgreens, pre-cut for **easy application**. Dot them, sprinkle them, or just eat them by the fistful. It's up to you!

Cut Microgreens grow in a natural and clean growing medium. That means they're **ready for the plate** right out of the box.

Each 3 oz or 4 oz container has 40 to 50 servings

Each 6 oz or 8 oz container has 80 to 100 servings

SUSTAINABILITY & FOOD SAFETY PROGRAM

Cut Microgreens are cultivated:

- In a socially responsible manner
- Using environmentally safe Biological Crop Protection
- In an ultra-hygienic and sustainable environment
- According to strict HACCP rules and guidelines
